## Until We Meet

How blessed is the tie that binds  
Our hearts in lasting love,  
The comradeship of kindred minds  
Is like to that above.  
So when at last we have to part  
In sorrow and in pain  
We know we still are joined in heart,  
Until we meet again.

A Cherished Memory

## *The Legend of the Dogwood Tree*

**A**T THE TIME of the crucifixion, the dogwood was the size of the oak and other forest trees. So firm and strong was the tree that it was selected as the timber for the cross.

To be used for such a purpose, caused the tree great distress and grief. Jesus observed this and in His gentle pity for all sorrow and suffering, made the tree this promise,

"Never again shall the dogwood grow large enough to be used as a cross. Henceforth it shall be slender, bent and twisted. Its blossoms shall be in the form of a cross with the print of the nails in each petal. In the center of the flower will be the crown of thorns, and all who see it will remember that it was upon a dogwood tree I was crucified. Therefore this tree shall not be destroyed, but cherished as a reminder of my death upon the cross."
